RESIDENTS MAKE REQUESTS KNOWN AT PUBLIC HEARING ON ZONING ORDINANCE AND MAP AT MEETING

Every seat in Campbell High School's little theater was filled last Thursday as interested property owners attended City's first public hearing on city's master zoning plan. Officials present included city planning consultant, Nestor Barrett, city's planning commission chairman by John M. Chargin, who conducted Thursday's meeting. City attorney Joseph A. Bonacina, and city clerk Dorothy P. Trevelyan.

In response to a question asked by Dick Ryan, 732 Ridgley Drive, City attorney Bonacina said that approximate date of adoption of ordinance and map by city council would be sometime in September. Another public hearing of ordinance and map is scheduled July 2.

At Thursday's meeting, property owners were permitted to comment on proposed zoning:

W. W. Johnson, 705 Ridgley Drive, said he did not favor industry in a proposed M-1-S zone on the San Jose-Los Gatos Road near Campbell Ave.

F. E. Wallace, 451 San Jose-Los Gatos Road, proprietor of a plant nursery said he would like his property zoned for business so that he could sell fertilizer, peat moss and other items besides plants. He was informed M-1-S proposed zoning would permit business.

Kenneth Stringfellow, corner of San Jose-Los Gatos Road and Fawcett Road, stated he would like his property to be C-2, the same as it was under County zoning. He owns 165 feet on the highway and 205 feet east on Fawcett.

Dr. Glenn W. Stoops, 334 Winchester Road, stated that he thought zoning on Winchester Road from the school to Hamilton Ave. should be C-1. He is a chiropractor at above address operating under a use permit and in a private home.

Mrs. Stella Cain, 230 South Winchester Road, owner of the Star Nursing Home at the same address and the lot in back facing on Kennedy Ave. which she would like zoned R-3 to enable her to expand.

G. A. Lathrop, 306 North Winchester Road, said he was opposed to zoning Winchester Road in that vicinity to a commercial zone and would like to have it remain as proposed R-1 strictly residential (in opposition to Stoops' request.)

Don Stone, of Stone & Shulte, presented a drawing of a proposed shopping center for the corner of San Jose-Los Gatos Road and Hamilton Ave. He said the owners whom he was representing would like this property zoned C-2.

Victor Carline, 150 Rincon Ave., said he would like to have Rincon Ave. zoned R-3 west of Winchester Road for about 1,000 feet. He is located on South side of Rincon two-thirds of the way to Milton Ave.

R. J. Salice, owner of four and one half acres on West Rincon and on the north side extending from Winchester Road to the west would

like to see the area zoned R-2 for duplexes and he felt sure, he said, that the owners of the deep lots in the area would dedicate land for a street to be put through so that the back ends of the deep lots could be used.

R. A. Garrison, 351 Sunnyside, owner of a 90 foot lot on Campbell Ave. in the center of the block across from the high school, said he would like the area to be zoned for apartments.

William Ammon, 110 West Campbell Ave., said he would like his property zoned R-3. This and Garrison request are part of area mentioned by Salice where a street could be the solution.

J. L. Garrison, owner of property at Latimer and Winchester would like lot 50 feet by 163 feet (facing Winchester) zoned C-1.

David Rutherford, 101 North Winchester Road would like his mortuary zoned C-1. He also owns property at 16 and 18 Hamilton Ave. and would like that property zoned for apartments R-3 as there are 10 apartment cottages at rear of these houses.

William Carney, representing the Brynteson Ranch, situated on the northwest corner of Campbell Ave. and the San Jose-Los Gatos Road, inquired as to whether the M-1-S zoning would in any way affect the establishment of a subdivision for the area. He was advised that it would not since a subdivision is allowed in M-1 areas by obtaining a use permit.

Elmer Garrison, Catalpa Lane, the owner of 200 feet facing Winchester Road, near Latimer, would like the area zoned C-2.

J. E. Rigby, 200 West Rincon, owner of a lot 93x290 feet said he would like the area zoned R-2 for apartments. This is the same area referred to by Salice and others.

O. G. Martin, proprietor of Martin's Restaurant on the San Jose-Los Gatos Road and Campbell Ave., said that part of his property was C-1 and part R-3 and he asked that it all be zoned C-2.

A. C. Goring, 361 San Jose-Los Gatos Road stated he would like that area to remain R-1. This is proposed M-1-S.

Mr. Wolfe, 160 W. Campbell Ave., stated that he was the owner of approximately one acre at that address and would like to request that it be zoned for multiple dwellings.

Charles Jones, 180 W. Campbell Ave., said he would like his property zoned for multiple dwellings.

Mrs. Thelma Curry, 140 W. Campbell Ave., would like R-3 zoning at that address.

TOP COACHES TO INSTRUCT SWIMMING HERE

Beginning and intermediate swimmers enrolling in the Campbell Union High School Area Recreation Swim Program this summer will be taught by a highly professional group of instructors, according to an announcement by L. M. Scroggins, Campbell Union High School Swimming Coach, who will manage the pool.

Included in the group of instructors are Dr. Charles Walker, Swimming Coach at San Jose State College, has been named assistant manager of the pool activities which are part of the Campbell Recreation program under the direction of Kenneth Robinson.

Sign up for the swimming lessons will take place at 10 A. M. Saturday, June 13, at Campbell, San Tomas, Moorpark, and Cypress Playgrounds at 2 P. M. on the same day at Cambrian, Union, Burbank, Moreland and El Quito Park Playgrounds.

In addition to the swimming lessons, the pool will be open from 1 to 5 each afternoon for recreational swimming. Monday and Wednesday evenings are reserved for adults with lessons to be given upon request. Synchronized swimming will be taught on Tuesday and Thursday evenings and playground swimming meets are scheduled for Friday nights. All evening sessions start at 7 p.m.

A highlight of the program will be the instruction offered in competitive swimming and diving at 5 P. M. under the direction of Dr. Walker and Scroggins. This class is open to any boy or girl capable of swimming 100 yards or with aspirations of becoming a competitive diver.

Lifesaving lessons for both Juniors and Seniors will start Saturday, June 27, at 10 A. M. Minimum age for applicants is 12 years.

Swimming lessons are available to any resident of the Campbell Union High School District.

Campbell High Buccaneers Win Fifth SCVAL Crown

Campbell High's red-hot Buccaneers tackled up their fifth SCVAL championship trophy in a single year's play last Monday when the local divotees whipped all opponents in the league at La Rinconada Golf course to take the team crown in the 36-hole medal play with a total of 627 points.

Dick Jordan, of Campbell High won the individual title with scores of 69 and 71 for a total winning score of 140 for the 36-hole course.

The first 18 holes were played at the San Jose Country Club and the final 18 at Rinconada.

Members of the Campbell squad were Jordan, 140; Bill Dawson, 78-77-155; Gordon Peffley, 78-78-156; and Darrel Sexton, 84-92 for a total 176.

Dick Caldwell, Santa Clara High, placed second, 73-73-146, and Ed Duino Jr., James Lick was third, 78-74-152.

Other championship and co-championship titles won by Campbell High School athletes this year included co-championships in 30 basketball, and in varsity football and Valley championships were won in varsity basketball, wrestling and their latest—golf. Individual championships were also won in track this year.

PERFORM FOR KIWANIS CLUB

Campbell Kiwanis Club members were entertained at their regular meeting Tuesday noon, by the Campbell High School Choir under the direction of High School music director, Frank Trienna.

Dave Sanders is in charge of shaping up a softball squad to tackle Campbell Rotary Club for the annual hassle set for Tuesday, June 16, at 6:45 at the Campbell Grammar School Field.

unanimously elected president of Campbell Chapter of Commerce, replacing outgoing president Harold Estensen.

Joe Agostinho, local realtor, elected vice-president, immediately resigned due to press of business. A new vice-president will be selected at the next regular meeting of Chamber board of directors.

Lowell Benson, Cleaning establishment proprietor, and O. C. Jensen, local contractor, were elected to the board of directors. Carry-over directors are Dr. Robert Jasmine, Dave Ribble, and Les Harmon.

Art Mayo was re-elected as Chamber treasurer.

Out of 106 ballots mailed, 33 were returned, according to Campbell Chapter of Commerce secretary, William Enoch. A meeting was held yesterday at Martin's restaurant where the vote was confirmed and the above named officers were declared elected on the basis of ballots returned.

Henley Addresses Rotarians On Building Plans

At Campbell Rotary meeting this week, William C. Henley, Campbell Union School District superintendent spoke on the projected growth of Campbell School District and the building program as the basis for an authorization election on June 16.

As at the Kiwanis Club meeting recently, Henley cited actual enrollment increases for the past five years and estimated a 400 yearly increase in enrollment until 1957, the board of trustees of Campbell Union School expect a total enrollment of 5748 pupils.

Purpose of the June 16 authorization election, Henley said, is for the district to receive and spend \$750,000 of state money on a Lend Grant plan to build new schools. One at Southwest corner of Hamilton and Leigh Ave., another south-southeast of William and Winchester roads, and an addition to Cherry Lane School. Henley said there would be no raise in the tax rate for the proposed building projects, but there was a possibility for reduction to a 40 cent tax rate for debt service.

Homer Hyde was chairman of the program committee assisted by Frank Accardi, Bill Moniz, Bob Jasmine, Len Baptist and Dobie Jeffers.

The softball game with Campbell Kiwanis Club has been set Tuesday June 16, at 6:45 at Campbell Grammar School Field. It seems to be the general understanding among Rotarians, according to this week's bulletin, that those who fail to show up for the game will be given the opportunity of dropping money contributions into the club bucket at the next meeting.

ORCHARD GRANGE ENJOYS MUSIC AT MEETING

Past master Martin S. Walsh, opened the regular meeting of Orchard City Grange in place of regular master, A. J. Emery who left on a tour to Oregon, June 2. He will return June 18th, according to Grange members.

Campbell School students presented a musical program as entertainment portion of the program. Miss Susan Prior presented a violin solo accompanied on the piano by Peter Parysek. A Polish Dance by Severn, and Adoration by Borowski were also presented. Dwight Klassen presented a trombone solo accompanied on the piano by his sister Joyce Klassen.

M. F. Hughes gave a description of his recent trip to the National Parks and Monuments. Lamber Skillman reminisced on a trip in one of the first hundred Model T Fords on an 'early spring day, through snow and mud to get a doctor to save a young lady's life.

Past Master Herbert Shadle reminded the Grange to vote June 18th on the \$750,000 authorization election for the purchase of new schools.

Mrs. Louis Scarper spoke about the founder of Father's Day by one of her relatives, Mrs. John Bruce Dodd in 1910 at Spokane, Washington. The Day was officially proclaimed in 1916 Mrs. Scarper said. Home Economics chairman, Mrs. Bessie Merrill reminded the Grange of the luncheon on June 12th at Live Oak Inn at Los Gatos, tickets for which will sell for \$1.25. She also announced the next H. E. C. meeting at Morgan Hill, June 22.

Floral decorations in red, white and blue with bunting in honor of flag day adorned the hall. Decorations were done by Angelica Brandt.

Refreshments were served in the banquet hall by a committee consisting of Mr. and Mrs. Guy Proctor assisted by Mr. and Mrs. Cary Harris and Mr. and Mrs. Robert Wells.

RECORD NUMBER OF BOY SCOUTS SET FOR CAMP

A record enrollment of 534 Boy Scouts and Explorers has been set for the 1953 Hi Sierra Camp of the local Scout Council according to Fred Hilton, Chairman of the Council Camping Committee. These boys have signed from 31 Troops of the Council area and will add at least 50 volunteer adult leaders to the camp enrollment.

Camp will open on June 28th and continue for at least six one week periods.

Enrollments are still being received at the Council office and plans are underway to add a 7th and 8th session to take care of the enrollment already the largest in the history of the Council.

Boys attend camp by Troops under their own adult leadership. Leader in this area is Al Smith. The local Council provides a staff of trained men to assist the leaders in carrying out their campaign program. Field Executive Allen Gerbick will be the resident Camp Director, with Harold Alexander and Mark Judy of the Council staff serving during part of the camping season as program directors.

Camp Hi Sierra is located near Long Barn on the north bank of the Tuolumne River. The site of 100 acres is owned by the Boy Scout Memorial Foundation which has provided camping facilities including a modern kitchen and dining room, tents and cots for sleeping quarters, a well equipped health lodge, two shower houses, boats for the lake on the property and a complete water system.

ARIZONA STATE GRADUATE
Among the spring graduates of Arizona State College at Tempe was Eva May Lovrovich, 119 Lewellen Road, who received a Bachelor of Arts in Education degree. She is the daughter of John Lovrovich.

ANNEXATION MOVEMENT UNDERWAY; BRADLEY MANOR AREA TO SAN JOSE; CAMPBELL SCHOOLS, SITES TO STAY

Campbell Elementary School District superintendent, William C. Henley, and Mrs. S. P. Arnold, president of Campbell District's Citizen's Advisory Council were assured by City officials of San Jose, Monday of this week, that an expected reannexation of Bradley Manor to San Jose would have no effect on existing schools and sites in the

proposed annexation area.

FORD PLANT'S PLANS FOR AREA TOLD AT DINNER

A year ago, (June 15) the Bradley Manor annexation was voided after a heated dispute over ownership of Campbell Union Elementary School District's Moorpark School.

Since that time, Assemblyman Bruce F. Allen's Assembly Bill 1, which permits cities to annex territories without changing current boundaries of school districts has been passed.

Areas of interest to the Campbell School District that would be affected in a proposed annexation of Bradley Manor area would be the Moorpark School, and a site already purchased for a new school on the north side of Clifton Ave., east of Winchester Road, near Caputo Acres. (Project II).

Money for construction of this school would come from a planned authorization election, June 16, and Campbell school officials wanted assurance that a portion of School District land would not be absorbed into the city of San Jose.

San Jose mayor, Parker L. Hathaway and Pearce Davies, planning department consultant, as well as City Manager Anthony P. Hamann said they would invoke provisions of A. B. 1 and move to annex the tract for municipal purposes only, leaving the school boundaries intact.

Mrs. Arnold said San Jose officials had assured her and Henley, that school boundaries would remain the same, unless a majority of voters in the Bradley Manor area expressed a desire to become part of the San Jose Unified School District, which, said Mrs. Arnold, "They definitely do not want."

KIWANIS TRACK MEET PROGRAM SET FOR SAT.

Trophies to be awarded winners of Second annual track meet sponsored by Campbell Kiwanis, set for this Saturday, June 13, at Campbell High School Athletic Field are now on display at Campbell Grammar School. Ribbons and trophies will be presented by three eighth grade girls from Campbell Grammar School chosen by the student council.

It was originally planned by conductors of the meet to have a queen and three attendants chosen by the winning team who would present laurels to the victors, but School administrators thought it unwise to hold a popularity contest at this time.

Campbell High School Cadet corps will act as marshalls at the event. A contingent of Campbell Kiwanians will officiate in all events. Bill Means will be the starter.

In a preliminary meet held last Friday in Class C and D divisions between youngsters up to sixth grade, Cypress School won the day with a total of 801/3 points topping Campbell, 49, Quito 24 2/3 and Rosemary with 21 points.

A noteworthy performance, according to Bob Landreth, Meet official, was turned in by Richard Gugat, son of CUHS swim coach, Fred Gugat. Richard ran the 50 yard dash, in the class D division in 6.9 seconds. Gugat also earned the highest number of points with 123/4, topping other leaders Peterson, Cypress with 12 1/3, and Hilton of Rosemary School who got 12 points.

At the conclusion of the program the whole group will participate in the singing of the "Girl Scout Hymn" and "Taps."

The Girl Scouts and their leaders cordially invite the public to attend.

Honored On Anniversary

Mr. and Mrs. J. W. Straight, of Campbell, greeted 75 guests at their Latimer ave. home on May 31st, in celebration of their Golden wedding anniversary.

An imported handmade cloth, made of pineapple fibers from the Philippine Islands, graced the table which was beautifully decorated with yellow and white roses and centered with a towering tiered cake, daintily decorated with golden leaves, marking the anniversary celebration.

The guests enjoyed a buffet luncheon, followed by a rendition of "Sweet Mystery of Life", sung by Larry Straight, in honor of his parents anniversary.

A previous celebration was held in Alameda on May 30th, when 35 members of the family enjoyed a dinner honoring Mr. and Mrs. Straight. This dinner followed a Thanksgiving mass which was held at the Notre Dame Convent in Alameda.

Past Matrons, Patrons Honored At Eastern Star

The past Worthy Matrons and past Worthy Patrons of Campbell Chapter No. 553, Order of the Eastern Star, were honored at the meeting held on Friday evening, June 5, 1953, "Memories" being the theme.

Mrs. Arthur J. Aker acted as Worthy Matron and George Hartwell as Worthy Patron. Other past matrons and patrons filling offices for the evening were: Mrs. W. C. Elkey, Associate Matron; Henry T. Miller, Associate Patron; Mrs. Vernon Suess, Conductress; Mrs. James Arnold, Associate Conductress; Mrs. George Hartwell, Chaplain; Mrs. A. C. Currie, Marshal; Mrs. Anna Abraham, Secretary; Mrs. D. H. Cramer, Treasurer; Mrs. Henry T. Miller, Warder; Mrs. Galen Thompson, Adah; Mrs. Lawrence Hendricks, Ruth; Mrs. Joseph Agostinho, Esther; Mrs. Earl Buck, Martha; Mrs. Luella Ryan, Electa; and Joseph Agostinho, flag bearer. Other patrons honored included Earl Buck, Fred Johnson, William Scott, James Arnold, Galen Thompson and George E. Jeffers.

Mr. and Mrs. Harry Barnes, past Matron and past Patron of Los Gatos Chapter and Mrs. Lucille Haas, Past Matron of Menlo Park Chapter No. 562, Menlo Park, were also honored.

First time visitors introduced were Miss Patricia Twiss of Aurora, Ohio and Mrs. Dave Stone of Foothill Chapter No. 433, Oakland.

At the close of the business session, a short program included a piano solo by Mrs. Nila Sherlock and singing led by Mrs. Earl Buck.

Refreshments were served in the banquet hall, special tables having been prepared for each past Matron and Patron and those who had been initiated or affiliated into the chapter during their years, decorated in the colors for that year. Matron and Patron figurines, handpainted by Mrs. Joseph Feasel, formed the center decoration. These figurines were gifts to the honored guests from Worthy Matron, Cora W. Kaufmann, and Worthy Patron, F. Wilbur Mitchell.

Mrs. Joseph Feasel was committee chairman for the occasion, assisted by Mrs. Glen Siegner, Mrs. Kenneth Bitzer, Mrs. Jerry Stanek and Mrs. Adam Scholle.

The next meeting was announced for Friday evening at 8 p. m. June 19, 1953 in the I. O. O. F. Hall, at which time "All Nations Night" will be observed.

Pundita Circle Plans Picnic

Most enjoyable was the recent dessert luncheon of the Pundita Circle held at the home of Mrs. Wendell C. Thomas of Park ave.

Musical selections from the opera, "Bride of Lamoor", including the "Sextet from Lucia", were enjoyed by the members, and plans were made for the annual Pundita Circle picnic, which will be held at the Santa Cruz home of Mrs. Lester Davidson on June 10th.

Mrs. Fred Nybro will be the chairman of the day, and assisting Mrs. Davidson, will be Mrs. L. J. Carboni.

Mrs. Biby says, "No matter how scattered our family may be, we never lose touch. The telephone connects us, night or day."

THE BIBYS' TELEPHONE: A MEMBER OF THE FAMILY

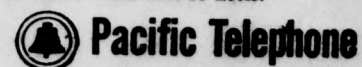

"Low-Cost Family Helper" is how the Edward Bibys describe their telephone

At eleven o'clock one night recently, the telephone rang in the home of Edward E. Biby, owner of a small Los Angeles mattress factory. His son Jim—a senior at USC—was calling. "Dad, my jalopy's broken down, and if I don't get my date back to her sorority house before midnight, we're both in the soup." Like other dads, Ed Biby jumped into his car and rode off to the rescue. Later, he said, "That's typical of how the telephone works in our home. It's a real member of the family."

Like other businessmen, Mr. Biby doesn't always find enough hours in the day to finish his work. But his home telephone permits him to make the few necessary evening telephone calls his business requires while he enjoys his family. And Mrs. Biby describes son Jim and daughter Jean as "telephone children," who make good use of the telephone in their school activities. Mr. Biby, speaking of the telephone, said, "There are few things we buy today that do so much—and cost so little."

At your service for pennies a call
The Bibys—like other families throughout the West—have found that while their taxes and the cost of most things they buy for their home have gone away up, telephone rates have remained low. So low, that the telephone still carries their messages for pennies a call. No wonder it's rated a bargain in the Bibys' budget.

1948 Graduates Rendezvous

A vow made on their graduation day five years ago, was culminated on May 30th, when five Campbell High school graduates of the class of 1948, met at the St. Francis Hotel in San Francisco.

The girls agreed to meet five years from their graduation day, at 11 o'clock, under the clock at the St. Francis, and these able to keep the date were, Audrey Berglund, a biological major of San Jose state college, whose plans are of specializing in the extray field; Janet Gomes, also a San Jose state graduate and now a teacher at Franklin school in San Jose; Regina Smith, a Los Altos teacher, and Joyce Johnson, who will teach Home Economics in Hillsberg next year, and Lois Smith, a graduate of Davis college, who revealed her plans of an August wedding.

Jean Winston, the sixth member of the group was unable to attend as she is in Japan, but plans to attend the re-union of 1958.

The girls enjoyed the play "Top Banana," and dined at the Exposition Fish Grotto on Fisherman's Wharf where plans were made for the 1958 meeting and predictions were written on cards to be re-read at the next meeting. These predictions were unanimous in that each girl expected to be married by the next meeting, and that Jean Winston will be under the clock at the St. Francis in 1958 to make the group complete.

Star, Channing has been a Christian Science Practitioner since 1926 and authorized teacher since 1934. He is a graduate of Brown University and studied law at Yale University. His appointment will take him to points throughout the United States and to other countries.

Said schedule of per diem wages is based on a working day of eight hours unless otherwise provided therein, and the wage prescribed therein is the per diem rate divided by the number of hours constituting the working day.

All skilled and other labor not listed above that may be employed is to be paid not less than the union scale for such labor.

Contractors who propose to have sub-contractors perform work or labor or render service to them in or about the work should designate in their bid the names and location of the places of business of each sub-contractor who will perform such work, labor, or render service in an amount in excess of one-half of one percent of the contractor's bid.

All bidders shall be required to furnish surety bonds for the faithful performance of the work and as required by Section 4200 of the Government Code of the State of California.

This Board reserves the right to reject any and all bids and to waive any informality in any bid received, at its discretion.

All bids must specify that said work is to be completed within one hundred and eighty (180) calendar days after the execution of the contract for the same. ***

No bidder may withdraw his bid for a period of thirty (30) days after the time for the opening thereof.

No bid will be accepted from a contractor who has not been licensed in accordance with the provisions of the Contractor's License Act of the State of California.

***Should said work not be completed in that time, there shall be deducted from the final payment the sum of twenty-five dollars (\$25.00) per day as liquidated damages. Time of Completion may be extended at the discretion of the Board. Time shall be the essence of the contract.

NEW BID LET ON EL QUITO SCHOOL

Pendergast and Day asked at Monday night's Moreland District trustees meeting that their bid of \$122,117 for construction of new classrooms at El Quito Park School be withdrawn.

Representatives of the construction company were present, and explained that a typing error occurred in the estimates, which put the electrical work at \$10,000 less than the sub-contractor was willing to assume the job for.

Mrs. Gussie Baker, executive officer of the board, read a letter from the trustees legal council, Howard W. Campen, who pointed out that a recent court decision in Los Angeles concluded that an erroneous bid could not be considered legal. Mr. Campen advised that the Pendergast and Day bid be withdrawn and the next lowest bid be accepted. Sam Barth's bid of \$126,650 was next lowest, and the trustees voted that Mr. Barth's bid be accepted. Contracts will be signed within a few days, and work started at once.

Fencing off of the construction area will be the first job of the builders, as not only will school continue until June, but a summer program, similar to Moreland's of last year, is planned for El Quito Park, according to Mrs. Virginia Lagiss, trustee representative to the Campbell Area Recreational Commission.

Completion date of the classrooms is Dec. 18, 1953, so the trustees gave some consideration to ways of avoiding double sessions by utilizing vacant spaces in Quito Shopping Center for classes.

Buying of a new bus for the district has been postponed for about ten days to give the board a chance to study the three different kinds of buses being offered for consideration. George H. Ballantyne, trustee, expressed particular interest in studying the buses in order to decide which offered the best safety devices. The question of what kind of door children could operate in event of an accident in which the driver was incapacitated will be studied most fully.

A tentative school calendar was adopted, if it runs parallel to Campbell High School. These dates, for next school year, are school opening, Sept. 14, and closing June 18, 1954. A new teacher's salary schedule was approved. This is a schedule the teachers have been working on themselves.

Roy Kosich will represent the Moreland district at a conference held at Stanford, June 22 to June 26, the purpose of which is care and maintenance of school buildings.

George Robertson, Clerk, announced that the possibility of installing in the new El Quito Construction, television wiring is being considered, and that each board member is gathering information from various authorities on the advisability of TV in the schools.

There were a few observers from the Quito Park area at the meeting. Board members present were George Robertson, Clerk; George Ballantyne, and Virginia Lagiss. In addition, administrative representatives in attendance were Mrs. Gussie Baker, Robert S. Tack, Fred Wise, and James Hall, representing the Teacher's Association.

Around The Town

with Wayne

After a week's respite from the woeful efforts of Journalee, I'm back again with this weekly bit of unsolicited and possibly unnecessary nonsense.....

Those of you who are not the lucky recipients of all the other various weeklies published in these parts can't begin to realize some of the stalwart stuff you occasionally miss. One of the classic examples of this is a weekly column dubbed "Talking It Over" in which our contemporary Mr. Don C. Matchan, of the Los Altos News, expounds. Last Friday Mr. Match had this to say: "When the chips are down, when basic Los Altos problems are under consideration, by officials and public alike, it's the News that does the pitching for community progress. Our interest in our community is more than a commercial one. We're tied up, body and soul, with the development of Los Altos, culturally, socially, commercially. Basically, the same thing holds true of the newspapers in their respective communities—We on the News staff work with people who give us a break now and then on a news story, be it big or small. They know they're building a better community when they deal in their community, newswise, advertisingwise or however. I'm getting just a little impatient with those who run to us with prolific "puff" stories, publicity for this or that organization or cause, and who, when a really good story does break, rush to tell an outside paper about it. Nine times out of 10, it would wait until the News published it while it was still news."

That's what the good Mr. Matchan has to say and frankly I think he really has something there at that. It seems to me that a lot of people right here in Campbell view the Press in about that light—alright for the kid stuff but when something that is really of interest to the people of this community happens, they high-tail to the big city daily with their "scoop."

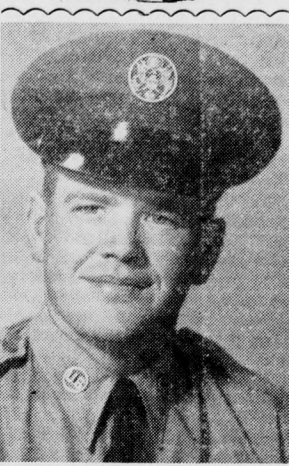

CAMPBELLANIA—Elsewhere in today's Press you'll read the story about our new Chamber of Commerce President, Verle Grizzle, Campbell Avenue Jeweler—I just want to add to that by saying that the Chamber couldn't have made a better choice for that high honor. Verle is a progressive gent who will, as they say in the story books, "give his all" for the good of the city. He has a knack to mold the merchants of Campbell into a cooperative group who will be able to withstand the onslaught of these competitive days. Good luck, Verle Grizzle!

Just got word today that Earl Tiger, owner of Weldit Shop, is leaving us to go into a similar business in Caldwell, Idaho. Earl says it's not that he doesn't like Campbell, but he misses the hunting and the great fishing over there.

Campbell Glass & Upholstery is the latest local firm to join the ever-growing list of businesses who are giving the popular Campbell Trading Stamp.

That's about it for today friends—Here's something to think about

SERVICE NOTES

AIRMAN (third class, Buddy D. Campbell, son of Mrs. Oline Campbell, of 123 North First Street, Campbell, has completed his basic training at Parks Air Force Base, and has been assigned to further training at Francis W. Warren Air Force Base. He attended local schools, and is a graduate of Campbell Grammar and High School.

Guam, Marianas Islands (FHT NC)—Fire fighting on Guam does not sound like much of a chore but the men of the Fire Department Company No. 12 of Headquarters Command, Commander Naval Forces Marianas, are as busy as any fire department in the average American city.

Serving with the Guam "Smoke-eaters" is Ray K. Kuykendall, seaman, USN, of 301 Camden ave., Campbell Calif.

Guam is usually thought of as a lush tropical island abounding with green foliage which wouldn't burn. This is right to a certain extent, but in the dry season from March through May the outlying areas, "Boondocks" as they are known locally, are treacherous fire hazards.

WASHINGTON, D. C.—The Bureau of Naval Personnel has announced that it is an advancement in rating aboard the repair ship SS Delta, to machinery repairman third class, USN, for Clifford G. Tranberg, son of Mr. and Mrs. Ole Tranberg of 320 North Carlyn, Campbell, Calif.

The advancement came as a result of a world-wide competitive written test which consisted of questions testing military and professional skills.

To be eligible for the written quiz, Navy personnel had to exhibit proficiency in the on-the-job phases of their ratings.

Officers Named For El Quito Parent Teachers

The attendance at the organizational meeting, the purpose of which was to form a PTA for El Quito Park School, was small, and from the group a nominating committee was named who retired and returned with a suggested group of officers. Those present unanimously endorsed for president, Mrs. B. Holmes; first vice-president, Mrs. W. L. Archibald; second vice-president, Robert S. Tack, principal; treasurer, Mrs. E. C. Hiler; secretary, Mrs. Lester Prinz; financial secretary, Mrs. Ernest Prter; auditor, Richard Leeper; historian, Mrs. L. A. Palm.

Mrs. Leslie Wilson, director of extension for the 6th district California Congress of Parents and Teachers, conducted the meeting prior to election of officers. By-laws were read and accepted, with the dues being set at 50c per year per person, and the meeting date the first Wednesday of each month. Names were then presented for the nominating committee, which consisted of Mrs. M. Fisher, Mrs. E. Creelius, Mrs. Jane Sullivan, Mrs. W. Murphy, William Glennon and Robert S. Tack. Dues were collected from all present, with the result that El Quito Park has 28 charter members, and is the 100th unit in the 6th district.

Mrs. W. E. Johnson, the district's president, installed the new officers. The meeting was closed by the new president, Mrs. B. Holmes.

Funeral Held For Charles Borello

Funeral services were held last Saturday for Charles Borello, 72, Hamilton Ave. rancher who died Thursday in a Campbell sanitarium after an illness of six weeks.

A native of France, he had been a rancher in the Santa Clara Valley for 59 years. Surviving him are his widow, Mrs. Rosa Borello; two daughters, Mrs. Eldiva Sord of Cupertino and Mrs. Bette Hyatt of Norfolk, Va.; two sons, Chester and Theodore Borello of San Jose; a brother, Sebastian Borello of San Jose; three sisters, Mrs. Rose Borello of Italy, Mrs. Orsala Manzo and Mrs. Lucy Serra, and nine grandchildren.

GEORGE MUSSO PASSES; RITES HELD LOCALLY

Funeral services were conducted Tuesday of this week under the direction of Darling-Fischer-Krug Chapel in Campbell for George Musso, 78, who died Sunday at his home on Rt. 2, Box 729. He was a local resident for the last 20 years.

Farewell rites included a requiem Mass celebrated at St. Lucy's Catholic Church Tuesday at 9 a. m. and a rosary recited at the Krug Chapel Monday evening.

Sole survivor was his wife, Bellegrina.

pallbearers at the funeral were: Peter J. Alfalu, Arthur Salacci, Sammy Rivolta, Frank Galatea, John Perata and John Mingola.

ORDINANCE NO. 37
AN ORDINANCE OF CITY OF CAMPBELL PROVIDING FOR SEWER CONNECTIONS AND PERMIT PROCEDURE BY AMENDING SECTION 10.01 OF ORDINANCE NO. 9 OF SAID CITY, BEING AN ORDINANCE PROVIDING FOR THE SANITARY DISPOSAL OF SEWAGE; REGULATING SEPTIC TANKS, CESSPOOLS AND PRIVIES AND FIXING PENALTIES FOR THE VIOLATION, ALL FORMING A PART OF ARTICLE IV ENTITLED HEALTH AND SANITATION OF THE CAMPBELL MUNICIPAL CODE.

The City Council of City of Campbell does ordain as follows:

SECTION ONE: Section 10.01 of Ordinance No. 9, being an Ordinance providing for the sanitary disposal of sewage; regulating septic tanks, cesspools and privies and fixing penalties for the violation, all forming a part of Article IV, entitled Health and Sanitation of the Campbell Municipal Code is amended to read as follows:

Section 10.01. Sewer Connections; Permit Procedure; Fees.

(1) Sewer Connections. Every building where persons reside, congregate, or are employed which abuts a street or alley in which there is an approved public sanitary sewer, or which is within Two Hundred (200) feet of an approved public sanitary sewer, provided a right of way can be obtained, and if possible grade is present, shall be connected to the sewer, by the owner or agent of the premises, in the most direct manner possible, and with separate connection for each home or building.

(2) Permit Procedure. (a) Every person, firm or corporation whose buildings come within the requirements of Section 10.01 (1) shall make written application for sewer connections to the City Clerk or such other person as may be hereafter designated by the City Council. The Application shall contain the location of the premises to be connected, a description of the plumbing facilities contained therein, the type or connection, whether for house lateral, house sewer or side sewer. In addition, the Application shall be accompanied by a permit fee

in the sum of \$3.00. Upon approval of the Application by the City Engineer or such other person as the Council may hereafter designate, the City Clerk or such other person as the City Council may hereafter designate shall issue the permit.

(b) All excavating work and construction in public streets and public property shall be done by licensed contractors, and the same shall be subject to the provisions of Ordinance No. 31, regulating excavation in public streets, being part of Article VI entitled "Streets, Highways, Waterways and Public Property" of Campbell Municipal Code, except that no separate Application thereunder need be filed.

(3) Plumbing Satisfactory.

Before granting a permit to connect with the sewer system, the City Engineer or such other person as the Council may hereafter designate shall examine the plumbing facilities of the building and premises for which such connection is desired and satisfy himself that the plumbing of such building or premises conforms to the requirements of this Ordinance and other ordinances of the City of Campbell. If the City Engineer or such other person as the Council may hereafter designate finds that such plumbing does not substantially conform to said requirements, he shall notify the applicant wherein the plumbing is defective, and that upon such defects being corrected, the Applicant's permit to connect with the sewer will be granted; and that it shall be the duty of such Applicant to have said plumbing corrected within Thirty (30) days after being so notified.

(4) Plumbing requirements. All soil or waste pipes under or inside of any such building shall be made of cast iron, wrought iron, steel, galvanized iron, lead or brass. All joints in cast iron, soil or waste pipe, whether inside the building lines or otherwise, shall be made with lead and oakum, and thoroughly caulked. Wrought iron pipes and fittings, known as the Durham system, are permissible. All joints shall be made completely water tight. All soil or waste pipes shall extend to a point not less than One (1) foot outside the exterior wall of the building to a junction with the branch sewer.

(5) Separate Connections.

Every house or building in and for which the plumbing work has been properly constructed, shall be separately and independently connected with said sewer system, provided a line of such sewer has been laid in the street, alley, public way or easement on which such house or building abuts, and is within 200 feet distant therefrom; provided that in the case of bungalow courts, duplex or apartment houses one sewer may be permitted if, in the opinion of the City Engineer or such other person as the Council may hereafter designate it is adequate as to size and location.

(6) Sewer Specifications.

All sewer lines from One (1) foot outside of the building sewer shall be of first quality vitrified ironstone clay pipe, or cast iron pipe, and shall have an internal diameter of not less than Four (4) inches. Vitrified pipe shall not be allowed within One (1) foot of the exterior wall of any building, neither shall any vitrified pipe come within One (1) foot of the surface of the ground throughout its entire course.

(7) Laying Sewer Pipe

The separate length of the sewer pipe must be laid in perfect line on the bottom and sides with a uniform slope downward from the junction with the soil or waste pipe to the connection with the public sewer, and in no case shall the slope be less than one-eighth of an inch per foot.

The joints of each and every section of vitrified pipe must be completely and uniformly filled with a mortar composed of two (2) parts of standard quality Portland Cement and one (1) part of clean sand, and every joint thoroughly cleaned from the inside so that there will be left no obstruction to the full inside diameter of the pipe.

The pipe shall not be covered or concealed in any way until it has been inspected and approved by the City Engineer or such other person as the Council may hereafter designate.

(8) Making Connections.

Where connecting Y's are not already in place in the public sewer connections shall be made, in the case of six inch public sewers, by replacing a single length of public sewer with a

standard Y branch to fit the house sewer. On larger size public sewers the connections shall be made by cutting an opening into the public sewer sufficient to allow the house sewer to enter without projecting into the public sewer beyond the inside surface. All taps must be made in the presence of the City Engineer or such other person as the Council may hereafter designate.

Under all conditions the Y or cut in branch connections shall be completely incased in concrete so as to securely support the weight of the connecting house sewer and also to prevent the connection being disturbed by settlement.

(9) Excluding Rainwater.

No person shall permit to run into any sewer of the City of Campbell any rain or stormwater, roof drains, wash racks or drains of any public or private garages, excepting toilets and wash basins.

(10) No Rubbish in Sewers.

It shall be unlawful for any person to willfully injure, break, destroy, obstruct or remove, or in any way interfere with any manhole or public sewer whether constructed on private ground or in any street, alley or public way or to throw, deposit or cause to be thrown or deposited in any opening of such sewer, any garbage, offal, dead animals, vegetable parings, ashes, hair, acid, cinders, rags oil or grease of any kind, or the contents of any cesspool, or any bulky or solid substance of any kind whatever having a tendency to obstruct the free flow of sewers, or in anywise to damage the same.

SECTION TWO: Urgency Measure.

This ordinance is hereby declared to be an urgency measure and shall be in full force and effect immediately upon its adoption. The facts constituting such urgency are as follows:

With the completion of the annexation of certain uninhabited lands, known as the lands of Prestigiacomo, the last remaining portions of the area comprising Campbell Sanitary District became part of City of Campbell, and said District ceased to exist, and all of its properties and assets, including sewage collecting and disposal facilities vested in City of Campbell. That City of Campbell does

not now have any adequate and effective legislation, regulations and permit procedure to govern the operation of said facilities, and the City Council finds and determines that the public health, safety, peace, comfort and general welfare of the people of the City of Campbell will be detrimentally affected unless this Ordinance is adopted and given immediate effect.

PASSED AND ADOPTED this 1st day of June, 1953, by the following vote:

EMMITT CLINE, BUILDER, DIES

Emmitt T. Cline, 46, plant superintendent of the Mobilhome Corp. in San Jose, died last Wednesday in a San Jose hospital after a brief illness.

EMMITT T. CLINE
... Passes Away

Mr. and Mrs. J. W. Driscoll of 14884 Payton ave., are entertaining Mr. and Mrs. R. F. Croton of Blackfoot, Idaho.

G. S. Robson, of 480 E. Campbell Ave. returned home Thursday from a three week's visit to Chino, California to visit his daughter, Mrs. G. R. Stray. The weather was awful, Robson said, with rain and wind, but it made no difference to him. He spent most of the time in bed with an attack of the "flu".

Robert E. McCloskey, of 272 North Milton Ave. is rapidly recovering from a major abdominal operation, performed last week at O'Connor Hospital, according to his wife, who said doctors were very well pleased with the success of the operation and McCloskey's quick recovery.

Local Merchants Nip Burbank, 9-8

A four-run, sixth inning rally gave a one run edge to Campbell Merchants, as they came from behind to nip Burbank Lions 9-8, in the main attraction of the Little League game played at the Little League Park, Tuesday night.

Last night Campbell Pirates were pitted against Burbank Y. C. Scores were not available at Press time.

ON CAPITOL HILL

The lights are burning late in the House Office Building lately. Congressmen are very busy as they "enter the home stretch", and so we have had little time for the "lighter" side of Washington that I like to write about in this column.

A California Delegation luncheon honored Captain Joseph McConnell Jr., of Apple Valley, California, the world's first triple jet ace, and his sweet wife. The story of his wanting to return to Korea started when he jokingly told reporter, "Oh, sure, I want to go back", with a laugh intended to indicate the absurdity of his remark. The words appeared in the papers, but not the laugh. McConnell says the greatest heroes of the Korean war are the "Chopper Pilots" who rescue downed fighter pilots in a matter of minutes—3 minutes in the case of Captain McConnell.

Last week Joan joined an official tour to the embassies of Korea, Japan, Great Britain, Burma, the Philippines and Greece. In some respects she was disappointed because so little of the native art was used in each embassy. For example, the Japanese Embassy was designed by a New York architect along American colonial lines. A beautiful Japanese embroidered tapestry, however, took her eye. Most elegant embassy was Great Britain which was designed by a British architect and built in 1930. Korea looked to be one of the best kept and was second to Great Britain in elegance.

Presidential Pay Day—As taxpayers you probably have wondered just what President Eisenhower's take-home pay is. He receives a monthly cardboard check like any other Federal worker, only it is for 6688.86 after taxes. Gross pay before taxes is \$8333.33. The Chief Executive also receives \$50,000 a year for expenses or \$4166.66 gross monthly. Eisenhower, unlike President Truman, must pay taxes on this allowance so the monthly expense check shrinks to \$333.34. He is also the first president who must account for every penny of this allowance. Speaking of pay, you should see some of the letters which come to us since a Senate Committee favorably reported a bill raising congressmen's pay to \$25,000. You

may not believe it, but most congressmen lose money because they are here. Of course, the pay raise won't pass and, as usual, very few incumbents will fail to file for reelection. Oh well, money isn't everything.

QUICK NOTES—If anyone tells you President Eisenhower has violated his campaign promises, remind him that those promises were made to be fulfilled over a 4-year, not a 4-month term—Joan, along with other wives, is going to the White House next week at the invitation of Mrs. Eisenhower—I am scheduled to participate in a Republican vs. Democrat ball game this week. Republicans have not won in the last 5 years, thanks to the fireball pitching of Democrat Wheeler of Georgia. GOPers hope last November was an indication of a change in baseball fortunes as well.

Washington Protocol—Official day to call on the Vice President's wife is Wednesday—at the White House any day will do—I'll call on you again next week.

FRED GARRETT ELECTED DELEGATE TO CHURCH FETE

Mr. Fred Garrett, 740 Salerno Dr., Campbell, California, active youth song leader in the Campbell Seventh-day Adventist Church, has been chosen to represent his church at a forth-coming Youth Congress to be held in San Francisco, California.

SERVICES HELD FOR LOCAL CAR CRASH VICTIM

Funeral services were held Monday of this week, for Peter Edison Young, 22, University of California student, son of Mr. and Mrs. Kelvin S. Young, of 372 North Central Ave., Campbell, who died from injuries received when his car left the road last Saturday morning and struck a tree.

Accident occurred on Winchester road near Williams Road when Young, apparently dozed at the wheel, California Highway Patrol said. Crash occurred at 4:10 a. m. The vehicle struck a tree and was demolished.

He was a member of Thipsi Lodge at the University where he was a junior. He was a native of Ohio.

Interment was at Los Gatos Cemetery following services by Darling-Fischer and Krug Memorial Chapel in Campbell.

He was the brother of Kelvin S. Young Jr. of Campbell. He was the nephew of Mr. and Mrs. C. W. McKinley of Lafayette, Mr. and Mrs. P. B. McKinley of Fresno, Mr. and Mrs. G. M. Kyle, Dr. and Mrs. D. M. McKinley, Mr. B. W. Young, Mr. and Mrs. E. B. Young Jr., all of Ohio, Mr. and Mrs. J. M. Vadden of Tenh. He was the grandson of Mrs. E. B. Young and Mrs. P. H. McKinley of Ohio.

Approximately 18,000 Adventist youth from North, Central, and South America are expected to attend this meeting in the Civic Auditorium June 16 to 20. Mr. Garrett will be one of 2000 official delegates. It is expected there will be a large group attending from the Campbell church.

Funeral Rites Held For C. Holt Former Resident

Funeral services were held May 28 for Charles Ray Holt, 23, who died at his home, 44 Dillon Ave., after a long illness. He attended Campbell Schools and was a resident of Campbell for the past 14 years. He was the son of Mrs. Pearl Reed of Modesto and the late Gordon Holt.

He was the brother of Ray Holt of Campbell, Anna Lou Holt of Modesto, and of Dorothy C. Holt of Modesto. He was a native of Arkansas.

Funeral services were held at Rutherford Funeral Home, May 29. Officiating at the funeral rites were Robert Todd and Cliff Winters of Church of Christ in Campbell. Music was furnished by Church of Christ A. Capella Choir. Interment was at Santa Clara City Cemetery.

THE CRACKER BARREL

We sure do have good customers. Since we've been Adventist's they have just about run the legs off us. But that's the way we want it, 'cause if we wasn't busy, we'd start gettin' fidgety. Fact is, friends we feel so dad-gummed happy that we are going to express it by giving a super-duper deluxe special. Now, we ain't goin' to gab much except to say—we sure do thank you folks for your patronage. Now, if you really want to save some dough clip this ad and bring it with you, 'cause we'll be so busy (which we like) and probably so rattle-brained we won't be able to remember everything. So partner—SAVE—we don't care if we just break even this week, 'cause we appreciate all that you're doin' for us. Really, folks, we are just a-workin' for you—and the more you buy, the better buys you get.
